

# Vardhamaan Insulation Limited

*Hot & Cold Insulation and Fabrication Engineer*

**An ISO 9001-2015 Certified Company**

## **COMPANY PROFILE**

Respected Sir/Madam,

We introduce ourselves as one of the leading ISO 9001-2015 certified companies consisting of group of experienced and professional engineers engaged in providing the services of Hot, Cold & Acoustic insulation and Duct Fabrication Services, Scaffolding Erection Services and manufacturer of Polyurethin (PUF) and Polyisocynurate (PIR) Pipe Sections, Round type supports, Saddle type supports, Slabs and customized Articles.

Our sister concern VARDHMAN INSULATION ENGINEER was established in 2005 by Mr. Vasant K. Doshi. The HUF is having wide experience in the field of insulation services, ducting work, & scaffolding services and has proven its ability as the supplier of insulation material and application of such insulation material. In the year 2012, a new wing was added in the HUF by incorporating a new limited company namely Vardhamaan Insulation Limited.

Our company's Director Mr. Vasantbhai K. Doshi has vast experience of more than 30 years of running the business.

Further, the supply of insulation material includes Rock wool, Light Resin Bonded wool (LRB), Fibre Glass wool, Mineral wool, Cera wool, Perlite etc for **Hot insulation work**, Thermocol, PUF, Nitrile Rubber material for **Cold insulation** and **Application** of the same. Customer satisfaction is our main mission. We have successfully completed our specialized Insulation jobs in all different type of environments such as Power Plant, Textiles Units, Pharmaceutical Plants, Food Processing Units, Automobiles Industries, Refinery, Cement Plants, Fertilizers Plants, Chemical Plants and Solvent Plants.

### **Quality Assurance**

The quality of our products and services is at par with the international standards. We procure raw materials from reliable sources and apply latest processing techniques. Our well-developed quality control department is outfitted with latest testing machines and equipments, which we use to test the properties of the products to ensure zero defects in each of them. We are committed to constantly deliver enhanced value to our customers, through continual improvement of our services and process by way of innovation. Here we take this opportunity to introduce to you some of our satisfied clients.
